Nove izborne tehnologije: Institucije pred reformom

New Electoral Technologies: Institutions Facing Reform

Panel će se baviti uvođenjem izbornih tehnologija u BiH kroz institucionalnu perspektivu. Razmatrat će se ključni izazovi implementacije kao i političko okruženje i spremnost na reforme. Poseban naglasak će biti na nadolazećim Općim izborima 2026. uz primjenu izbornih tehnologija.

The panel will focus on the introduction of election technologies in BiH from an institutional perspective. It will examine the key implementation challenges, the political environment, and the readiness for reforms. Special emphasis will be placed on the application of election technologies in the upcoming 2026 General Elections.

New Electoral Technologies: Lessons Learned

Stručnjaci iz regiona će na panelu predstaviti svoja iskustva u implementaciji novih izbornih tehnologija u njihovim zemljama. Govorit će se o rezultatima, smanjenju nepravilnosti, izazovima i uspjesima, te podijeliti preporuke i lekcije koje BiH može primijeniti na nadolazećim Općim izborima 2026. Panel će ponuditi i uvid u iskustva domaćeg NVO sektora i njihove preporuke za bolje izbore.

Experts from the region will present their experiences in implementing new election technologies in their countries. They will discuss results, the reduction of irregularities, challenges, and successes, and share recommendations and lessons that Bosnia and Herzegovina can apply for the upcoming 2026 General Elections. The panel will provide insights into the experiences of the domestic NGO sector and their recommendations for better elections.
